

This is a prayer for you.

"So do not worry, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?' For the pagans run after all these things, and your heavenly Father knows that you need them. But seek first His kingdom and His righteousness, and all these things will be given to you as well. Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own."

Words of Encouragement

When you rip open that dark cloud and start letting the sunlight in, it is at this time you realize **haters** will try to stop you before you begin.

The enemy is going to attack you from every angle and all four sides;

You must have faith in God, and put Him first, let your heart be your guide.

Look at yourself in the mirror and say, "I'm far from being done."

Just keep hating while I keep going, rising and shining into the sun.
